30 December 1981

MEMORANDUM FOR: Acting Director of Central Intelligence

FROM: Chief, Interdepartmental Affairs Staff, OPP

SUBJECT: Status of Request for Support

1. Just a short note to let you know when we should be able to expect responses to the items you requested following your breakfast meeting with Secretary Weinberger yesterday.

2. Dick Lehman has decided to issue a Memorandum to Holders of the IIM on Terrorism, which will address the concerns which Secretary Weinberger expressed. I asked Dick if we could have a draft available by the end of next week to be finalized the week after.

3. Regarding the analysis [redacted] 25X1  
have asked NFAC to pull that together and to have it available to you by Wednesday of next week. I asked them to hold off distribution until you have a chance to look it over and to decide to whom you wish it to be sent.

4. Regarding signaling devices for potential targets of kidnappings, I asked Les Dirks to respond to your query by next Monday. He indicated that the subject has been looked at many times in the past, but officials generally balk at the awkwardness of such devices.

5. NFAC is currently working on a more comprehensive analysis of the situation in Iran as triggered by the NSA cable of the 18th. I believe that will probably be ready for you by tomorrow.

6. Please let me know if any of the above scheduling is insufficiently responsive to your needs. [redacted] 25X1
